

Certificate of Parts Quality

according to recitals 19 and 20 of the Supplementary guidelines on vertical restraints
in agreements for the sale and repair of motor vehicles and for the distribution
of spare parts for motor vehicles (28/05/2010)

Our products of the brand **Hengst Filter** fulfill the requirements applicable to the use of spare parts particularly for repair and maintenance in „authorized repair shops“.

Our original parts match the quality of the components used for the assembly of the motor vehicle in question and have been manufactured according to the specifications and production standards of the motor vehicle; our 'matching quality parts' match the quality according to recital 20 of the guidelines.

This certificate displaces the certificate according to BER 1400/2002, which has expired by 31 May 2010.
